

ALL-IN-ONE ANIMAL RESCUE SPONSORSHIP PROPOSAL

All-in-One Animal Rescue are a non-profit, pro-life, rescue, rehabilitation and re-homing shelter based in Centurion.

The organisation was founded in 2018 by Mary Kwembu, whose focus, passion and drive helped her animal rescue vision to become a reality. All-in-One Animal Rescue originated in the northern township of Diepsloot in Johannesburg, where Mary would drive around in the dust, meeting the community, feeding dogs and teaching people how to take care of animals. She quickly became well known as being the voice of the voiceless in Diepsloot.

Mary believes that every dog deserves a loving, caring and stable home with food and shelter and so she provides assistance to homeless, abused, neglected, stray, injured, ill, geriatric and unwanted animals that would otherwise have miserable lives and premature deaths.

All in One Animal Rescue is growing by the day thanks to its loyal and valued supporters and Mary's vision is a world where humans treat animals with care, love, respect, empathy and understanding. And only with the help of sponsors, Mary's dream can stay a reality. Visit the All-in-One Animal Rescue website on www.allinoneanimalrescue.com or their Facebook page for more information, pictures and details on how you can assist.

All-in-One survives solely from generous donations and urgently needs these to stay alive and continue their work to save and home animals. We are thus seeking regular sponsors and donations from corporates and individuals to keep the shelter going.

Please note that All-in-One is a registered NGO and is currently busy with SARS PBO registration and will thus be able to issue tax certificates to sponsors and donars from January 2022.
